Dear Mr. Nagpal,

1. At the very outset I would like to congratulate you on the part played by you in the success of the operation resulting in the apprehension of Pakistani Spy in Jodhpur. I am sending you the photocopy of the newspaper cutting for information. As a matter of routine, we do not go for the publicity for obvious reasons of confidentiality. However, this case was started and concluded by my officers. I am writing this letter with the express aim of conveying my deep appreciation to you for the training imparted to my officers by your institute and also personal guidance given by you on many occasions.

2. I take this opportunity to convey my admiration to you and your team for the fine job you are doing, as without your timely assistance and co-operation it would have been difficult for us to attain the success.

3. I am looking forward to more such interactions at professional and personal levels. Also, I would like to assure you of our unflinching support and co-operation, should you need it anytime.

With regards.

Mr Rohas Nagpal.
