Sub:- **Expert help in Cyber Forensic.**

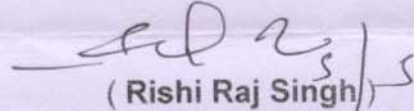

Dear Shri Nagpal,

CBI recently has registered a case against one of the higher ranking Central Government employees where demand of Rs. 2 crores was made for some land deed. The money was accepted by duo, father and son, Arun Dalmiya and Harsh Dalmiya respectively. CBI caught all the three accused accepting of bribe of Rs. 2 crores.

During searches at the residence and office premises of the private persons, huge documents showing illegal transactions were found. Hence assistance may be given to scrutinise and collect Cyber Forensic evidences.

Thanking you,

Yours faithfully,

(Rishi Raj Singh)
