Dear Shri Nagpal,

As you are already associated with this department's activity of 'Framing draft rules and regulations under Information Technology Act 2000' and 'Information Age Crimes Act' you are aware of Government of India's IT ACT 2000 and the various steps taken to formulate rules and regulations to curb cyber crime, anti national activities, etc., especially through Internet, Cyber Cafes' spread over in several metros, cities and towns.

In this regard we are in the process of framing model rules and regulations for functioning, operations including Code of Conduct for Cyber Cafe's/Chat Room Centres which could be adopted mutatis mutandis in all our states and Union territories to curb misuse of Cyber Cafe's/Chat Room Centres for anti-national activities, cyber crime, etc.

It is felt that the expertise of your institution on the subject could benefit the Government of India for formulating a national level model of rules and regulations.

You are therefore requested to kindly submit a proposal for framing of the model rules for 'Code of Conduct and Practices to be adopted for the functioning of Cyber Cafes/Chat Room centres'.

With regards,

Yours sincerely,

(S. Lakshminarayanan)
